COUNCIL COMMUNICATION

AGENDA TITLE: Appointments to Selection Committee to Review Proposals for Multimodal Station Project

MEETING DATE: December 7, 1994

SUBMITTED BY: City Manager

RECOMMENDED ACTION: That the City Council concur in the appointments of Mayor Sieglock to the Selection Committee to Review Proposals for the Multimodal Station Project.

BACKGROUND INFORMATION: At its regular meeting of Wednesday, November 16, 1994 the City Council took several actions regarding the Multimodal Station project. Included was approval of the Request for Proposals for Phase II (the master site plan, environmental review and preliminary engineering). Staff requested at that time that the City Council appoint two citizen representatives to this committee which will also have City and County representatives. It is necessary to take this action at this meeting because of an extremely tight schedule to meet State funding requirements.

Mayor Sieglock will be prepared to present the names of the two citizen representatives at Wednesday night's meeting.

FUNDING: None required

Respectfully submitted,
